C G
It’s festival time and we pack up the car
(G) C
We’re going to (fest name), and here we are

We get to our campsite laughing with glee
We run from the car cuz we all have to...

Find a good spot we can open the trunk
And open the bottle, it’s time to get...

Going, there’s music and no time to sit
So we run to the trees and we take a big...

Breath of the fresh air and feel the green grass
As we look for some leaves, to wipe our...

Dusty sunglasses a friend of ours loaned
To hide our red eyes when we get...

Tired from hiking and want to go jam
We’re s’posed to un-pack but we don’t give a...

Lot of attention to people who yell
They can come join us of go straight to...

Some other camp so we don't break their necks
Till the kids are asleep and we can finally have

Time to lay down for the rest that we need
And to help us get mellow we break out some...

Long johns and slippers and learn a new song
While our friends are all laughing and passing the...

Solo’s around and we’re jamming all night
So I’ll see you out pickin till the dawns early light!
